

The optomap (digital image of the retina) will be done annually for every patient.

*This image will help your doctor assess your overall health and see any retinal problems that you may have. Using this scan we can see retinal problems, such as macular degeneration, glaucoma, retinal holes, retinal detachments, diabetes and high blood pressure all **without dilation** for most patients.*

- Optomap. The fee is only \$34.00.**
- Not Interest at this time.**

Please sign below to acknowledge that you are aware that **you are responsible** for the fee above.
